But seek ye first the kingdom of God, and his righteousness;
and all these things shall be added unto you" Mat 6:33

Questions & Answers

Q1- How does the workshop work ?

Your domestic worker will be required to come once a week for 3 hours on the same day each week for a month. After completion of workshop she will be rewarded with an attendance certificate of all the training provided

Q2 - Where will the workshop take place?

The course will be held at Rustenburg in Ridder Street workshops are run from a home environment which has a separate training facility where the practical's and theory are based. We also run workshops at lush life living centre .

Q3 - Who will be doing the training?

Training is managed Femida presently - A nurse - mother of one who has knowledge and previous experience in childcare training - domestic nanny household management - First aid Cooking and baking courses.

Q4 - Is this centre registered?

Yes we are registered with department of Trade and Industry as a closed co-operation for private training.

Q5 - What will my domestic worker gain after completion of workshop ?

She will gain invaluable knowledge and you as a client will see a marked improvement in the quality of care that she will be providing for your child in your home environment - Healthcare and Safety in and around home environment are what we strive to promote in our workshops.

Q6 - My domestic worker is old / understands very little English how will she be able to cope if I send her for the workshop?

Age is not a problem the workshops are simple very hands on and easy to understand - with regards to language barriers same applies no complicated training is provided with the help of our audio visuals and show and tell the delegate will be able to understand the purpose of the training and its effects.

Q7 - How many students attend training sessions?

Minimum 1 - Maximum 8

Q8 - What is the procedure when bringing my domestic to the workshops?

You must bring your domestic worker the first time to meet us thereafter you can drop her off and pick her up alternatively she can attend training herself once she is familiar with the venue

Q9 - What happens if my domestic worker does not attend a session?

Please let us know in advance - We will schedule her for an extra week of lesson this will not affect her learning programme at all.

Q10 - What should my domestic worker bring along when attending the workshop?

She will be required to bring a snack along. All other workshop tools are provided

Q11 - How will I pay for this workshop?

Once you have decided to go ahead we will send you our details via sms thereafter you will fax proof of payments 2 days before commencement of workshop

Q12 - Can I or anyone else sit in with my domestic worker during workshop?

No this is not allowed as the domestic worker will need to feel completely comfortable and this will also allow us to use her weak points and turn these into strengths before completion of workshop having someone sit in disturbs the domestic workers ability to perform to her maximum potential

Q13 - If I decide I want to send her for a refresher course / should I have another child what will be the cost and when should I send her?

The cost for all refresher courses this runs for 4 hours from 8 am - 12 pm on the last working day of each month cost we give a 50% discount on all refreshers

Q14 -How can I encourage my domestic worker to gain confidence during the training process?

Allow your domestic worker to start implementing some of the task she has learnt - by allowing her to take charge of your baby completely in a step-by-step process After completing this workshop she will gain renewed confidence.

Q15 - Is all aboard the only Private Training Centre in Rustenburg presently?

Yes - However there are other training centre that provide other long-term training programmes.

Q16 - Is there anything else the programme offers?

We offer gift vouchers for new mums our vouchers are requested and sent via email (Terms and conditions apply)

We also have incentive programme for clients who introduce us to new clients we award cash vouchers of R50-00 providing the client has completed the workshop! (Terms and conditions apply)

Q17 - Which day of the month does the workshop begin?

In the 1st week every new month and ends on the last week of the month providing you have registered at the start of the month

Q18 - Can I send my domestic worker any other time in the month?

Yes you may however you need to check with us which week will be suitable in the month

Q19 - What is the procedure if the centre has to close because of an unforeseen circumstance ?

When the centre has to closed and your domestic worker is due to come for a session the centre will inform you 2 days before your domestic is required to attend any classes

Q20 - If I cannot send my domestic worker during the weekdays do you have weekend workshops?

Yes however she will have to attend on alternate weekends arrangements can be made with the centre in these cases

Q21 - Tell me more about your activity play planners?

These are for babies ones twos and threes which offer age-appropriate learning opportunities .filled with fun activities songs-poems-recepies - and practical parenting advice - these are for home learning for kids who are spending time at home with mum carer. It prepares infants and toddlers for first nurse school . Most of all it gives us ideas when we all out of your own .
